

Shawnee District Platinum Spark Plug Nomination Form

Each year, the Shawnee District recognizes those adult Scouters who have gone the extra mile in our district. This can be someone involved in any level of Scouting- Cub Scouts, Scouts BSA, Venturing, Exploring or Sea Scouts. Recipients of this award are recognized at the District Dinner in January.

The platinum spark plug was developed mid-1980s to go the distance and provide better combustion and a smoother running engine.

Every Scout unit has at least one member that is a long term member. They may participate in the background or forefront. They are always there when the unit needs them. Just like the platinum spark plug they have gone the distance and helped keep the unit running smooth.
